Stuart Johnson is a song writer and guitarist from St.Louis, Missouri. Stuart Johnson teaches guitar at Huelsing Music Co on 3129 Watson Road St. Louis Mo Phone 314-644- 0361. Stuart plays with a variety of musicians and groups covering rock, jazz and blues in the metro St. Louis area. One of Stuarts compositions "Lets Find A Dark Corner" is being considered for a track in an upcoming Hollywood movie currently being scored by film comoser Dave Williams is also from St. Louis.

The Stuart Johnson Trio plays jazz classics, rock oldies, and original songs in a decidely different and distinctive style, based on the unique finger-picking interpretations of guitar player and singer, Stuart Johnson. Scott Engel on drums, and Michael Prokopf on acoustic and electric bass make up the rest of this trio. These are musicians who have a solid, strong background in almost every genre of musical performance, and all are well respected in the musical community. We are sure you will enjoy the music of The Stuart Johnson Trio. 314.781.4873
